

## Graphic Designer

Eisenberg And Associates is an award-winning creative agency located in Dallas. Eisenberg provides corporate branding, marketing communication, interactive services and investor communications to a broad client base.

We are looking for a talented designer eager to kick off their career and expand their creative development. With over 40 years in the design industry, Eisenberg offers a wealth of knowledge and experience, yet we are small enough to remain nimble and innovative. Eisenberg provides the opportunity to work on a diverse range of projects from FORTUNE 500 companies like GameStop, Freeport-McMoRan and CenturyLink to smaller boutique accounts like Scardello Cheese and Salado Whiskey. So, if cheese and whiskey are your thing, Eisenberg is a great place to gain valuable agency experience while collaborating with both seasoned veterans and ambitious young creatives — and we throw one hell of a happy hour.
